## Sly & The Family Stone, You Can Make It If You

You can make it if you try You can make it if you try Push a little harder Think a little deeper Don't let the plastic bring you down

All together now Yeah, yeah, yeah Yeah, yeah, yeah You can make it if you try You can make it if you try

Time is still creeping Specially when you're sleeping Wake up and go for what you know

All together now Yeah, yeah, yeah Yeah, yeah, yeah You can make it if you try You can make it if you try

You'll get what's due you And everything coming to you You got to move if you want to be ahead

All together now Yeah, yeah, yeah Yeah, yeah, yeah You can make it if you try You can make it if you try
