

# Small Black, No Stranger

Tell me where you thought you saw me  
Tell me why you asked my name  
Tell me how you've come to be  
In this place

Tell the story how you want to  
Make up all the details  
Tell me what feels good  
I don't care

You're no stranger  
You're no stranger  
To me

Take me for another body  
Come out of the wilderness  
Maybe just a window  
You could've passed

Take me through your barricades  
Push me through your city walls  
Take me, I can be  
Whoever you want

You're no stranger  
You're no stranger  
To me  
No stranger  
You're no stranger  
To me

Nothing here is set in stone  
Nothing here is set in stone  
Nothing here is set in stone  
You don't even know  
Where I come from  
Could I be someone  
That you can trust?

Nothing here is set in stone  
You don't even know  
Where I come from  
Could I be someone  
That you can trust?

No stranger  
No stranger  
To me

You don't even know  
Where I come from  
Don't even know  
Don't even know
