

# Smash Mouth, Waste

I'm lookin' at my watch  
At all the time that's been stolen  
When I was carryin' you  
Seems I've tripped and I've fallen

Don't want no one to ache  
Oh, to be drunk and forgetful  
To get out of this unscathed  
Oh, to be free and inhuman

Some may say  
I love to play  
When the chance is there to take

I'm moppin' up the floor  
From messy recipes of romance  
I'm packing up the pots  
Too many cooks in the kitchen

Some may say  
I love to let  
A good thing go to waste  
I let it go to waste

Let a good thing go to waste  
A good thing go to waste  
Let a good thing go to waste  
A good thing go to waste

I'm lookin' at my watch  
At all the time that's been stolen  
When I was carryin' you  
Seems I've tripped and I've fallen
