

# Smashing Pumpkins, Bye June

Bye, June  
I'm going to the moon  
It better be by June  
'Cause I'm going to the moon  
So June  
You'd better make it soon  
I hope you make it June  
'Cause I'm going to the moon  
Bye, June...  
Bye, June  
I'm going to the moon  
I hope you make it soon  
'Cause I'm waiting on this moon  
Bye, June  
I hope you make it too  
I'm wishing you're there too  
I hope you make it June  
Bye, bye, June  
Hope you make it to the moon
