

Smashing Pumpkins, Bye June

Bye, June
I'm going to the moon
It better be by June
'Cause I'm going to the moon
So June
You'd better make it soon
I hope you make it June
'Cause I'm going to the moon
Bye, June...
Bye, June
I'm going to the moon
I hope you make it soon
'Cause I'm waiting on this moon
Bye, June
I hope you make it too
I'm wishing you're there too
I hope you make it June
Bye, bye, June
Hope you make it to the moon
