

# Smashing Pumpkins, Christmastime

We watch the children playing  
Beside the christmas tree  
The presents are wrapped up  
Its beautiful and secretly the gifts still hide  
The fun awaits for you inside  
Christmastime has come  
There'll be toys for everyone  
Cause Christmastime has come for you  
I remember dreaming  
Wishing hoping praying for this day  
Now I sit and watch them  
The little ones I love so excited by the wait  
Christmastime has come  
There'll be toys for everyone  
Cause Christmastime has come for you  
And now the word is given  
Its time to peek inside  
Its time to let the toys out  
So anxious for your look of joy and delight  
Waiting for just your surprise  
Christmastime has come  
There'll be toys for everyone  
Cause Christmastime has come for you
