

# Smashing Pumpkins, Crush

You wrap your arms around  
A feeling that surrounds  
Like liquid peppermint  
Just taste the drinks that she served

And this feeling shivers down your spine  
Love comes in colors I can't deny  
All that matters is love, love  
Your love

You're sleeping in your bed  
Just rest your weary head  
Maybe you shouldn't care  
Throw away those dreams and dare

And this feeling shivers down your spine  
Love comes in colors I can't deny  
All that shivers is love, love  
Your love  
Your love  
Your love
