

# Smile Dk, Get Out

I've had enough of this feelin'  
All I need is a chance and I know that my dream's come true  
If you'd only believe it  
Cuz I know this romance is made for me and you

I can't wait any longer  
I've been hangin' around all my life just to be with you  
You know my loves getting stronger  
Don't know what to say just to make you stay

So get out from the fantasy  
I don't wanna spend my time livin in my dreams  
Get out oh why can't you see  
That you're all that I want and all that I need

I can't control my emotions  
Cuz the feelin' I got is a feelin' I just cant hide  
You're my sweetest devotion  
I just hope and I pray that you'll always be by my side

I can't wait any longer  
I've been hangin' around all my life just to be with you  
You know my loves getting stronger  
Don't know what to say just to make you stay

So get out from the fantasy  
I don't wanna spend my time livin' in my dreams  
Get out oh why can't you see  
That you're all that I want and all that I need

Get out from the fantasy  
Get out oh why can't you see  
Get out from the fantasy  
I don't wanna spend my time livin' in my dreams

Wup up up she-dabi-dabi-dabi-dabi  
Repeat 2X  
Repeat 3X  
Repeat 3X  
Repeat 3X

So get out from the fantasy  
I don't wanna spend my time livin' in my dreams  
Get out oh why can't you see  
That you're all that I want and all that I need

So get out from the fantasy  
I don't wanna spend my time livin' in my dreams  
Get out oh why can't you see  
That you're all that I want and all that I need
