Smile, Dragonfly

Like a warm summer day Like a warm day in May Babe, you make me feel so hot Like a small butterfly Like a bird in the sky Feels like a star that I'm not You tell me things that I never knew (ay-ow) So what am I supposed to do? (ay-ow) Running around like a little kid (ay-ay-ow) One Two Three and I'm here here here Like a dragonfly flying high in the sky There is light above and beyond you and I Like a dragonfly flying high in the sky There is light above you and I Like a small paradise Like a scent of a spice Yes I guess I understood Like a flower so sweet Like a lover of me Boy you make me feel so good You tell me things that I never knew (ay-ow) So what am I supposed to do? (ay-ow) Running around like a little kid (ay-ay-ow) One Two Three and I'm here here here Like a dragonfly flying high in the sky There is light above and beyond you and I Like a dragonfly flying high in the sky There is light above you and I Like a dragonfly flying high in the sky There is light above and beyond you and I Like a dragonfly flying high in the sky There is light above you and I Like a dragonfly flying high in the sky There is light above and beyond you and I Like a dragonfly flying high in the sky There is light above you and I Like a dragonfly flying high in the sky There is light above and beyond you and I Like a dragonfly flying high in the sky There is light above you and I
