

Smiley Kids, Bomb The Hill

Grab your skateboard,
leave your troubles behind,
we're going to hit the streets,
there's lots of fun to find.
Hit a pebble or a crack,
fall down on your face,
gonna find a curb and,
grind all over this place.

Bomb the hill,
bomb the hill,
bomb the hill,
leave your troubles at the top (REPEAT)

It doesn't matter how good or bad you skate,
put your ego in the trash on the way,
we're out for fun, don't need vibes today,
everybody scream real loud, the secret word is SKATE!!!!
