

Smiley Kids, Frowney Clowney

Turn your frown upside down
Make your lips go round and round
Let your troubles go away
Cuz Jesus Christ is here to stay
He won't ever let you stay down
He'll pick you up right off the ground
Love yourself and everyone around
God's Grace had made you safe and sound

There's no reason to frown anymore
There's no reason to frown anymore
There's no reason to frown anymore
Anymore, anymore, anymore, anymore

Smiles are shining nice and bright
Let's go out and fly a kite
share your sandwich with someone
Let's go out and have some fun
