

Smith Point, Mostly Me

I've got my way
I've got it down
I've got my right to turn you down

I don't care how it feels to you
So don't tell me what I should do

I don't need anymore (it's all about)
You don't need anymore (it's all about)

Mostly me
But mostly you
It's all the same for what you do

I'm on my way
I'm going down
I've got my right to turn around

It's all for you and that's for sure
But I'm here to and I just want to...
Come on
Come on
Come on
