Smog, Chosen One

Oh whoa (x4)

Well you're a wild horse On a collision course With the sun (repeat)

I wanted to ride that wild horse Into the sun (repeat)

But I no longer think that I'm your chosen one On no, I no longer think that I'm your chosen one Oh whoa (x2)

Maybe it's best for you to ride Ride into the sun Because I no longer think that I'm your chosen one Oh no, I no longer think that I'm your chosen one Oh whoa (x4)
