Smoke Blow, Sick Kid '85

I'm gonna gave ya gave ya any of all I gave ya all the spirit you need those days are gone but they are not forgot I have only tried in these times to be strong I have tried and tried everything I know - how I have died and died but still I'm alive - now sick kid sick kid '85 wicked wicked times I've been through riot riot chaos riot I don't like you fuck the world sick kid - the times I've been through sick kid - he's just like me sick kid - why didn't I fall sick kid - it'd just begun my soul is strong and I'm setting it straight I'll be the judge of your fucking fate I don't like you - fuck the world class war 2002 - fuck the world I don't like you I don't like you I don't like you I don't like you
