Smokie, I Just Died In Your Arms Tonight

(Cutting Crew)
Oh i, i just died in your arms tonight
It must have been something you said
I just died in your arms tonight

I keep looking for something i can't get Broken hearts lie all around me And i don't see an easy way to get out of this Her diary it sits on the bedside table The curtains are closed, the cats in the cradle Who would've thought that a boy like me could come to this

Oh i, i just died in your arms tonight It must've been something you said I just died in your arms tonight Oh i, i just died in your arms tonight It must've been some kind of kiss I should've walked away

Is there any just cause for feeling like this?
On the surface i'm a name on a list
I try to be discreet, but then blow it again
I've lost and found, it's my final mistake
She's loving by proxy, no give and all take
'Cos i've been thrilled to fantasy one too many times

Oh i, i just died in your arms...

It was a long hot night She made it easy, she made it feel right But now it's over the moment has gone I followed my hands not my head, i know i was wrong

Oh i, i just died in your arms...
