

# Smokie Norful, I Need You

Not a second  
Or another minute  
Not an hour  
Or another day

But at this moment with my arms outstretched  
I need you to make a way  
As you've done so many times before  
Through a window or an open door

I stretch my hands to you  
Come rescue me  
I need you?  
Right away

I need you now  
I need you now  
I need you now  
I need you now

Not another second  
Or another minute  
Not another hour of another day  
But Lord I need you right away

If I never needed you before  
To show up and restore  
All of the faith that I let slip  
While I was yet searching the world for more

The true best friend I have indeed  
You're my best friend I know indeed  
I stretch my hands to thee  
Come rescue me  
I need you right away

The agony of being alone  
The fear of doing things on my own  
The test and trials that come to make me strong  
The feelings of guilt, hurt, shame, and defeat  
The way the trials that beat upon me  
But to know Lord that in you I've got victory

I need you now, Lord, I need you now (Oh, wo, wo)  
I need you right now, right now, right now  
I need you now

Oh not another second  
Not another minute, Lord  
Can't wait another day (oh?)  
Oh Lord, please make a way  
Oh Lord, Oh Lord, Mmmmm, Yeah
