

Smokie Norful, I Need You

Not a second
Or another minute
Not an hour
Or another day

But at this moment with my arms outstretched
I need you to make a way
As you've done so many times before
Through a window or an open door

I stretch my hands to you
Come rescue me
I need you?
Right away

I need you now
I need you now
I need you now
I need you now

Not another second
Or another minute
Not another hour of another day
But Lord I need you right away

If I never needed you before
To show up and restore
All of the faith that I let slip
While I was yet searching the world for more

The true best friend I have indeed
You're my best friend I know indeed
I stretch my hands to thee
Come rescue me
I need you right away

The agony of being alone
The fear of doing things on my own
The test and trials that come to make me strong
The feelings of guilt, hurt, shame, and defeat
The way the trials that beat upon me
But to know Lord that in you I've got victory

I need you now, Lord, I need you now (Oh, wo, wo)
I need you right now, right now, right now
I need you now

Oh not another second
Not another minute, Lord
Can't wait another day (oh?)
Oh Lord, please make a way
Oh Lord, Oh Lord, Mmmmm, Yeah
