

# Smokie Norful, Justified

[Chorus]

Justified me  
Glorified me  
Paid my ransom and  
I've been redeemed by his blood  
Go to calvary  
I've been made free  
Despite my enemy  
I thank god im justified

[Verse 1]

Paid a price  
For my life  
And all that was wrong  
His love made it right  
Now what greater sign  
Can any man show  
That know with his own blood  
He made me whole  
He

[Chorus]

Justified me  
Glorified me  
Paid my ransom and  
I've been redeemed by his blood  
Go to calvary  
Ive been made free  
Despite my enemy  
I thank god im justified

[Verse 2]

If my sins had their way  
I never would have made it  
With a debt i just couldn't afford to pay  
He came and saved me  
When the enemy said that i couldn't  
God said go ahead because you're covered by me awesome  
Awesome powerful blood

[Brigde]

Though I  
I should've been dead  
And never kept alive  
God's grace and his mercy  
Were on every side  
When it looks like i can't  
God says i can  
And he won't let me fall  
In the enemy's hand

[SMOKIE]

I'm just glad to know that god saved me  
His grace and his mercy  
They watched over me all night long  
If it had not been  
If it had not been  
If it had not been  
If it had not been  
If it had not been  
For the lord that was on my side  
Hey  
Listen i got some testimonies listen  
Just like ninevah that was headed for destruction god stepped in and he said  
(not guilt)  
You gonna live and you won't see the day of destruction  
(ooh ooh ooh)  
Just like daniel who was condemned to the lion's den god said  
(not guilt)

You're gonna live  
(you're gonna live yeah)  
Just like david who was dearly beloved inspite of god said  
(not guilt)  
Yeah  
Hey  
(let's talk about you)  
If you be honest with yourself tonight  
If it hadn't been for the grace of god  
You would've been  
You could've been  
Yeah  
Listen  
Hey  
To the Liar  
To the Cheater  
To the Deciever  
Even to the Believer  
There is their point no condemnation to them that are in christ jesus  
Yeah yeah  
Hey  
Some of ya'll got it twisted  
Listen  
If it hadn't been for god  
(god did it)  
You wouldn't have made it  
hey  
Don't get confused about who kept you  
hey  
(god did it)  
When the enemy said that i couldn't  
god did it  
(god did it)  
When my haters said that i wouldn't  
god did it  
(god did it)  
hey  
I thought we'd never get out of the poor house but  
(god did it)  
I thought we'd never see the white house but im claiming it  
(god did it)  
Hey  
And if you be honest  
He's been over your house  
(god did it)  
Every grateful heart just bless his name  
(god did it)  
Who delivered you  
(god did it)  
Be honest about it  
Who kept you  
yeah  
(god did it)  
Come on and testify who brought you  
Hey  
(god did it)  
Hey  
Just shout god did it  
(god did it)  
Point to heaven and give him glory  
god did it  
(god did it)  
Come on and testify

(god did it)

One more time  
if your praise is ringing say
