

# Smoking Popes, Theme From "Cheerleader"

Proud to wear the uniform  
Of a man who won't conform  
Learning how to fit the mold  
Of a man who can't be told

Climb aboard that tour bus  
Down the road less traveled  
Every song sounds like the last one  
Let's make this next one a fast one

I don't think the way to see something  
Is to stand behind somebody else  
I don't think the way to say something  
Is to be a cheerleader
