

# Smolik / Kev Fox, MIND THE BRIGHT LIGHTS

Sit down beside the lights  
Sit down beside the bright lights  
I can't see your face from here  
I can't see your face very clear  
Your not fit for the positions here  
You don't fit the criteria

You insisted that I stayed to have another beer  
Coz then I won't be tired  
For heavens sake I'm sorry I'm late  
I just don't want to be here today  
Make sure you're behind the lines  
Make sure your behind the white lines  
It's for your benefit, it's for your benefit  
That I left  
Your not fit for the positions here  
You don't fit the criteria

You insisted that I stayed to have another beer  
Coz then I won't be tired  
For heavens sake I'm sorry I'm late  
I just don't want to be here today
