

Smolik / Kev Fox, Queen of Hearts

I can really feel the fire
You can run but they will always find you
Hang you on a wire
Watch you swing beneath the Towers of Babel;
What do you do with all your wasted time? /2x

Did it catch you by surprise
When she made you put your cards on the table
She caught you on the wire
To Watch you swing beneath the Towers of Babel;

They rolled the dice a 1000 years ago
We made mistake a 1000 times before

What do you do with all your wasted time?
But where you going now?
