

Smolik & Rojek, 50 tysi

Twenty, twenty cars
And twenty, twenty nights
Nine, ninety-nine
Songs about love
Twenty, twenty streets
And twenty, twenty miles
Fifty thousand people on the ground
Twenty, twenty place
Planes on the sky
Four, forty-five
That's number of my house
Twenty, twenty streets
And twenty, twenty miles
Nine, ninety-nine
Songs about love
Million stars are falling down
While i'm waiting for you
Twenty, twenty ways
And twenty, twenty plans
Eight, eighty-eight
Different trains
Twenty, twenty streets
And twenty, twenty cars
Four, forty chance
Chance for us
Twenty, twenty buses
And twenty, twenty miles
Hundred, hundred ways
Of committing suicide
Twenty, twenty streets
And twenty, twenty cars
Nine, ninety-nine
Songs about love
Million stars are falling down
While i'm waiting for you
