

# Snapcase, Caboose

do you know yourself  
do you know the others  
can you pull the weight that rides on another's shoulders  
once you've lost yourself to the acceptance mask  
well could you find yourself  
it's not a simple task  
self-inherence  
freedom  
comes from within  
take a different track  
it's time to see what you are made of  
can you expose yourself  
can you peel off another layer  
will you make the time  
the time to control  
because only you can save yourself  
only you can save your soul  
and once you save yourself  
insecurities will die  
genuine qualities  
and true character will shine  
now that you belong to you  
what will the others think  
well, soon they'll follow you  
you'll see they're all so weak  
come on  
can you, let go  
can you, be you
