

# Sneaker Pimps, How Do

Hey ho, who is this?  
No one but me, my dear

Please come, say "How do"  
The things I'll give to you  
A stroke as gentle as a feather

Hey ho, I am here  
Am I not young and fair?

Please come, say "How do"  
The things I'll show to you

Would you have a wond'rous sight  
The midday sun at midnight

Fair maid  
White and red  
Comb you smooth and stroke your head
