

Snitch, Out On My Own

This is not for real
this is just a dream
and it's something
i have never seen
stars up in the sky
see them as i fly
i wake up get kicked by reality

I can't take no more
what am i working for
i don't believe the world lies at my feet
nothing's ever right
and i don't want to fight
i'm on my own

I can't see it i don't want no more
i'm gonna leave wanna walk straight out that door
start a new life leave this far behind
turning back again will never cross my mind

I'm on a train to rome
i'm feeling quite alone
miss my friends i miss my family
left two days ago
time goes by so slow
and everything's the same as it was before

now everything's gone wrong
don't know where i belong
i don't believe the world lies at my feet
now i know it's right
and i want to fight
got myself

now i know what
home sweet home means
now i know what it means to break free
