Do it again

[Wiz Khalifa:]

Uhh, you ain't gotta sell it, cause its already sold
And you ain't gotta roll one cause its already rolled
Check out my technique, jus weed, let it flow
Shit, I've been smokin since I was 14 years old
I had a dime that never smoked blunts, just bowls
Taught me how to blow O's, inhale through my nose
So if you see me smokin dont blow my high
Uhhh, so hour one and we both goin fly
You smell it all in my clothes
Im takin in all the smoke when I...

[Mike Posner:]

French inhale
I like the way you french inhale
Do it again
French inhale
I like the way you french inhale
Do it again

[Snoop Dogg:]

I take it to the face, inhale it through my nose
Blowin with the homies on the low, man fuck these hoes
And crack-a-lac, pin it back
What you call a mack who crack a mad bitch like that?
A cracker jack
Im like a florist, tourin like a tourist
Godzilla flyin on a pegasorous
Niggas know about it, even fore I pull it out
I put some fire on it, n now they beggin me to put it out
Im in the hallway, rollin on the purple site
I know the in's and out's so I'mma do what the fuck I like

[Mike Posner:]

French inhale
I like the way you french inhale
Do it again
French inhale
I like the way you french inhale
Do it again
