

Snoop Dogg, Gangsta Gangsta

[Intro: Eddie Talking]

[Gun's Cocked] [Several Gun Shots]

This is a service public announcement going out to all the paper haters
Now sure sure sure your broke sure sure sure your having problems
Food stamps didn't come on time and the lights have been cut off
But look here

[Verse 1: Snoop Doggy Dogg]

Here's a little something about a nigga like me
I never should have been let out the penitentiary
Snoop Dogg would like to say
That I'm a crazy motherfucker when I'm playing with my A.K.
Since I was a youth I smoked weed out
Now I'm that motherfucker y'all read about
Smoking you and your crew, taking a life or two
You dont like how I'm living well fuck you
This is my gang nigga No Limit
My nigga C will fuck you up in a minute
With the pow pow bang bang {*gun shots*} and you're dead
And then we stamp that tank on your forehead
Everywhere we go they say "DAMN"
Them gangstas they be fucking up the program
And then you realize we don't care
We don't just say no we to busy saying yeah
About drinking straight out the seven bottle
Do I look like a motherfucking role model
To a kid looking up to me
shit life ain't nothing but weed and money
shit I'm that type of nigga that's quick to blast
fuck with me or C and I'll put my foot in your ass
I don't give a fuck cause I keep selling
Yo what the fuck are the yelling...

[Chorus x2: Snoop Doggy Dogg]

"Gangsta Gangsta" That's what the yelling
Niggaz living rowdy and stay bout it bout it
"Gangsta Gangsta" That's what the selling
Bitches want to buy it cause they love that straight G shit.

[Verse 2: Snoop Doggy Dogg]

Homies all standing around just hanging
Some dope dealing some gang banging
We decide to roll a week deep
Seen a nigga on Dayton so we creep
Real slow, in you before you know
I had my double pointing at his window
He got scared and hit the gas
Right then I knew I had to smoke his ass
He kept rolling I jumped in the bucket
We couldn't catch him so I said fuck it
Then we headed right back to ?
Sweating all the bitches in the Daisy Dukes
We couldn't no play from the ladies
With seven niggaz in a Nav is you crazy
She was scared and it was showing
So we all said "Fuck YOU Bitch" and kept rolling
To the hood now we was 'fen to
Find something else to get into
Like some pussy or in fact
Getting rowdy, shit but we caught the rat pack
On a nigga cold nothing it off
Snoop Dogg gets ignorant when I'm fucking with my tank dogs
I might stumble and still wont lose
Now I'm draped in my gangsta blues
Cause I'm the type of nigga who's quick to blast
Fuck with me or C and I'll blast your ass
See I don't give a fuck cause I keep bailing

Yo what the fuck are they yelling
[Chorus x2: Snoop Doggy Dogg]
"Gangsta Gangsta" That's what the yelling
Niggaz living rowdy and stay bout it bout it
"Gangsta Gangsta" That's what the selling
Bitches want to buy it cause they love that straight G shit
[Break: Snoop Doggy Dogg]
Hol hold on Craig B cut that shit man
Man fuck that we need some gangsta in this motherfucker some other that

Some of that shit from the thiz-ird you heard me
Here's another gangsta down to ride
A T-shirt and Levi's is his only disguise
He represents the tank but yet hard to hit
Snoop Dogg and C-Murder with this gangsta shit
[Verse 3: C-Murder]
Well I'm C-Murder the one he talking about
Nigga tried to play me close and got punched in the mouth
Fed's tried to get me you know they some haters
I said "See you later" jumped in the Navigator
With the \$50's in the back with the navy blue top
TRU niggaz on the scene with the triple beam
Cause I'm the C fool I slang and Snoop bang
And I'll smoke a motherfucker like it ain't no thing
To all my bitches, I know your jocking my crew
"We want to fuck you C"
I want to fuck you too
You see No Limit niggaz don't take no shit
So let me tell you motherfuckers who you fucking with
Cause I'm the kind of nigga that's quick to blast
If you fuck with me, I'm a smoke your ass
I don't give a fuck cause No Limit stay selling
Yo what the fuck are they yelling..

[Outro: Eddie]
If you'd of just stay down and been a motherfuckers real partner you
wouldn't have had tat problem
But seeing as you want to jump ship and you thought the ship would sink
a motherfucker without turning into a submarine, went under water came
back up with a periscope looking at your bitch ass
Now you have no paper, and now you on a paper caper
Now you coming up to my face and your saying "Hey can I hangout" I say
