[Snoop Dogg]

Cold game (cold game), new twist (new twist).
My niggaz step back and let me do this (do this)
Cuz I'm that 5-0 with em, getting 5-0's, sittin getting in the wind
For all my homies in the pen
It's back on
My backbone, my wife in my life & down wit a nigga before my paper was tite.
Boo, you's a real bitch
I write that real shit
That them niggaz just got to get with
I bounce in and out of town just like a basketball player
Pass weed with the G's
And pass laws with the mayors
See, that's the difference between
You, me, and him
Nigga, I'm Silk the Slim
With the feather in his brim
I swim under water and don't get wet
Then bounce back to the hood and C-walk the set

An you can ask the Doug, Insanes, and One-9
Cuz I'm:

[Hook]

[Snoop Dogg]

I stay on em like cop cars
Man, you watch your rabid-ass nine
Tryin to stop cars hoo-bangin this fast-lane game
