

Snoop Dogg, I Promise

Promise I never leave you...

[Chorus]

Boy, boy, boy

You know that you got me Snoop

You're a joy, joy, joy

It's all the pimpin things you do

You got me in a daze

And I don't know if it's the haze

Cuz we smoke so much ooh ooh

(Ooh Ooh Ooh Ooh)

Yeah the bitch gotta bitch

Hang out with the D-O-Double

Girl be a part of this

Now hang up your coat

Blaze the dope

Never missing a stroke

Yeah Yea

Now this here's a ?

You ever seen a stretch ?? jet two seater (No)

It aint what you want it's what you need

A real ass nigga to help you kick your feet up (Yeah)

Now flip your channel to Lifetime

You stay on my mind

Even when I'm writing rhymes

We can chill all day until the nighttime

I'll let you know when to go at the right time

I know you don't want to go

But you gotta get the hell up outta here (Go)

I say go, you say no, GO

[Chorus]

Have a drink have a ?

What it do...Whatever you want

And we don't wait until the first of the month

We never hesitate to roll a hundred dolla blunt

Nigga, money is nothing to us

It's big pimpin over here baby you fucking wit us

Struck it rich with the struck of luck of the dutch

Tripled you up you alittle late for the flush

You got plans for a honymoon

I got plans to move your fine ass up in my living room

At the studio on the d-low

Is you wit it (Never leave you no)

You gots to stay committed

To do what I say no matter how I spit it

You wit it

If I say go, that means go

Now go

[Chorus]

Ooh Ooh

Yeah come spend a week wit the black jack tripper

Unzip your zipper

Gotta couple of bitches that's gonna help you up outta that

I want you to sing wit 'em

All y'all sing together

Come on we gon' be a group

Let me here you say

Promise I never leave you

All my bitches let me here you say

Promise I never leave you

C'mon let me here you say

Promise I never leave you
