

Snoop Dogg, We Just Wanna Party With You

[Jermaine Dupri]

Uhh, whatchu wanna do? SoSoDef

You wanna get down? (ah get down, get down)

Whatchu wanna do? (ah get down, get down)

Said you wanna get down? (We got Snoop Dogg, in the house tonight)

Whatchu wanna do? (with the homeboy JD)

You wanna get down? (ah get down, get down)

Whatchu wanna do? (ahh ha ha)

Yeah, now check this out

Now, everywhere I go

they wanna see Don-Che-Che-O

Yes obsessed with SoSo all my dough

How the jewelry glow and the Cristi' flow

Ain't no secret I sleep with freaky

premium bush when I push they push

And after we push I leave her

Cause I don't love her

[Snoop Doggy Dogg]

Ha ha, and me neither

A-B-C-D-P-G-C

Who could it be, it's the D-O-double-G

Known for the bone and the chrome on the D's

Gold credit card backyard full of green trees (what?)

Breeze through the summer in a Hummer wit tint

Or dip in the low-low but that's just for promo

Never leave me alone, without the dough doe

I'm SoSo cold but y'all didn't know doe

Chorus: Jermaine Dupri

Whatchu wanna do? Said you wanna get down? (repeat 4X)

3X: singer starts singing "get down on it" 2X

and Snoop says 'we have Snoop Dogg in the house tonight with the homeboy JD'

4X: singers sing "get down on it, cause we just wanna party with you" and Snoop says 'ah get down, since you wanna get down'

[Snoop Doggy Dogg]

To be a high roller, you need a pistola

And about a half a key of some Coca-Cola

Now that I got older, I got a little colder

And I don't trip to get a chip off my [nigga's] shoulder

Mad dreams, of a gangsta being like Cagney

or Bogey but Snoop Doggy

Ain't no follower, man I'ma General

So when I put it down I gots to be so original

I'm quick to bust just like Daz Dillinger

But that's the little homey and I'm the big homey Snoop Don Corleone

Spittin it, hittin it, while I'm gettin that

Bout it, bout it, and happy to shout out, mmm

I dissapear 'fore the game get crowded

Take a trip overseas to the West Indies, freeze

JD (uh-huh), music please

[Jermaine Dupri]

I get goosebumps when the bassline thumps

So fat, call me Professor Clump

Ain't nuttin on the low about me I floss

And no there's none of these [hoes] son what I toss

On the track better bring chips cause I cost

Million dollar company [fuck it] I'm the boss

I don't sit back and watch I go for it

Different colored drops on the car port, who's short?

Chorus

[Snoop Doggy Dogg]

Khakis on my leg, Lugz on my feet
I'm walkin up the street while boppin my feet
I'm fresh off the bus from Memphis, Tennessee
Head still spinnin from the Coke and Hennesee
Sit down on it, nah, get down on it
It really don't matter cause you want it, Dogg-gonit
Cuz, you must was buzzed
When you was bumpin your gums, who you thought I was?
But look, I ain't even trippin right now
It's like that there, bow, wow
So many styles I could flip em like a file
Pop my drop top and let the beat rock
Dip through, course you do, miss you
But back to the issue, I wish you
stop tryin to clown the Pid-ound
Cause you don't really wanna get down

Chorus

[singer]

All we wanna do is make you dance
No standing on the wall
[JD] Get your back up off the wall, c'mon
All we wanna do is make you dance
No standing on the wall
[JD] Get your back up off the wall
Cause I heard all my [niggaz say
You know it
[JD] Uh-huh
When your dancing yeah
[JD] That's right
You show it
[JD] Uh-huh
When you move move move
[JD] Yeah
You know it
[JD] Do you wanna dance? Come with me and dance
When your dancing yeah
You show it
[JD] Do you wanna move? I'ma make you move
When you move move move
[JD] Come with me, yeah yeah, we gon let the beat go on like this
Do I wanna dance? I'ma make your dance
Do y'all wanna move? I'ma make you move...
