

Snoop Lion, La La La

(Snoop Dogg)

Then I walk and I talk to this one
Then I laugh and go to a better one
Hey, once you want to get the getty, getty,
and the problem will get real dretty, dretties

WHO feels it lost, and I suppose that you'll never know
Ohh, you'll reap what you sow,
can't let that come when that peace won't fig row, nooo

La la la la la la la la la la, oh yeah!
La la la la la la la la la la, oh yeah!
La la la la la la la la la la, oh yeah!
La la la la la la la la la la, oh yeah!

See them hypocrites they come again
in my discrete dirty lies they might know my friend
though, a story like that happened
and the one who spilled on him will have a problem

Hey, who feels it lose, and I suppose that they had me talk to stone,
Ohoo, you'll reap what you sow but it the one well that you are bound to drop off

Who feels it lost, and I suppose that you'll never know
Ohoo, you'll reap what you sow,
can't let that come when that peace won't fig row, nooo

La la la la la la la la la la, ooh yeah!
La la la la la la la la la la, ooh yeah!
La la la la la la la la la la, ooh yeah!
La la la la la la la la la la, ooh yeah!
