

# Snow Patrol, Downhill From Here

You could get arrested for  
Getting your kit off in the street  
How many times have I told you  
It's not polite to meet and greet  
We'll get you home and wash you up  
In a bath of cold coffee  
I only do this cause I love you  
And you can make things easier  
Didn't you hear me when I said  
Not to do this anymore  
I've had enough it's got to stop  
Or I will leave you then we'll see  
If you could handle things yourself  
Without me here to scrape you up  
This is the last time I'll warn you  
Don't make me leave you all alone  
It doesn't matter anyway
