

# Snow Patrol feat. Martha Wainwright, Chasing Cars

We'll do it all  
Everything on our own  
We don't need  
Anything or anyone

If I lay here  
If I just lay here  
Would you lie with me and just forget the world?

I don't quite know  
How to say how I feel  
Those three words are said too much  
They're not enough

If I lay here  
If I just lay here  
Would you lie with me and just forget the world?

Forget what we're told before we get too old  
Show me a garden that's bursting into life  
Let's waste time chasing cars around our heads  
I need your grace to remind me, to find my own

If I lay here  
If I just lay here  
Would you lie with me and just forget the world?

Forget what we're told before we get too old  
Show me a garden that's bursting into life  
All that I am, all that I ever was  
Is here in your perfect eyes, they're all I can see

I don't know where  
Confused about how as well  
Just know that these things will never change for us at all

If I lay here  
If I just lay here  
Would you lie with me and just forget the world?
