Snow Patrol feat. Martha Wainwright, Open Your

All this feels strange and untrue And I won't waste a minute without you My bones ache, my skin feels cold And I'm getting so tired and so old

The anger swells in my guts
And I won't feel these slices and cuts
I want so much to open your eyes
'Cause I need you to look into mine

Tell me that you'll open your eyes Tell me that you'll open your eyes Tell me that you'll open your eyes Tell me that you'll open your eyes

Get up, get out, get away from these liars 'Cause they don't get your soul or your fire Take my hand, knot your fingers through mine And we'll walk from this dark room for the last time

Every minute from this minute now We can do what we like anywhere I want so much to open your eyes 'Cause I need you to look into mine

Tell me that you'll open your eyes Tell me that you'll open your eyes Tell me that you'll open your eyes Tell me that you'll open your eyes

Tell me that you'll open your eyes Tell me that you'll open your eyes Tell me that you'll open your eyes Tell me that you'll open your eyes

All this feels strange and untrue And I won't waste a minute without you
