

Snow Patrol feat. Martha Wainwright, The Last Shot

take her home
take her past this evening

i'm not sure
sure if i believe you

you carry a gun for fun
you use it twice as easy

i'm sure she is
she is someone's daughter

i couldn't even feel that it was wrapped around my head

i don't know what she's done
i don't even want to think about it

she was beautiful
the prettiest girl i've ever seen

i saw everything
things i hoped i'd never see

she got away from him
and got on a plane this morning

i couldn't even feel like it was
wrapped around my head
i'm coming down
coming down the next day
