

Snow Patrol feat. Martha Wainwright, Tired

I'm tired of lying
It breaks my heart
Just want to be with
You everyday
Not used to people
Thinking I'm doing
Something I shouldn't
When all I want

I've no where left to hide myself
Without you here to cover my eyes
With your sweet lips
If there's someway else of doing this
I cannot think of any other path to wind down

I'm tired of lying
It breaks my heart
Just want to be with
You everyday
Not used to people
Thinking I'm doing
Something I shouldn't
When all I want

Don't panic
I was always here
I wouldn't last a minute
Without you beside me
You're all that I have ever loved
So why'd it take so long for me to realize it

I'm tired of lying
It breaks my heart
Just want to be with
You everyday
Not used to people
Thinking I'm doing
Something I shouldn't
When all I want

I'm tired of lying
It breaks my heart
Just want to be with
You everyday
Not used to people
Thinking I'm doing
Something I shouldn't
When all I want

I'm tired of lying
It breaks my heart
Just want to be with
You everyday
Not used to people
Thinking I'm doing
Something I shouldn't
When all I want
