you won't stop making sense  
But my tongue still misbehaves and it  
keeps digging my own grave with my

Hands open, and my eyes open  
I just keep hoping  
That your heart opens

Why would I sabotage  
the best thing that I have  
Well, it makes it easier to know  
exactly what I want with my...

Hands open and my eyes open  
I just keep hoping  
that your heart opens

It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy

It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy

and we'll play your favorite song  
"Chicago" bursts to life and your  
sweet smile remembers you, my

Hands open, and my eyes open  
I just keep hoping  
That your heart opens

It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy

It's not as easy as willing it all to be right  
Gotta be more than hoping it's right  
I wanna hear you laugh like you really mean it  
Collapse into me, tired with joy
