Snow Patrol, Starfighter Pilot

Andrew's a star fighter pilot He can get high in his jet Tells me about all his women He can get any I'll bet

Andrew's a star fighter pilot He knows all the girls in the world He's better than James kirk or tweeky I cradle his picture at night

You know I'll think of you Your picture on the wall I would raise my drink to you But I'll stay sober just for you

Andrew's a star fighter pilot I watch him on TV each day I've got all the toys from his programme And all of his past shows on tape
