

# Snow White And The Seven Dwarfs, Music In Your

With a spoon and a bowl  
With the music in your soul  
You can cheer things up with the zub, zub, zub  
Of the music in your doup

With a gulp  
With a grin  
Get a wiggle on your chin  
You can make things hum with a zum, zum, zum  
Of the music in your soup

Swing that spoon  
Gota keep on dippin'  
Scoop up that soup  
Gotta keep on sippin'  
Till the bowl is dry  
And your face is drippin'

Let her rip!  
Let her roar!  
To the first and the second  
And the third encore
