

# Snowman, Don't Stop Me!

Don't stop me now I am driving too fast  
Try to follow me now  
Don't waste your time

Don't stop me now, don't!  
Try to follow me now  
Don't waste your time  
Try to follow me now

Don't, don't, don't!  
Don't, don't, don't!  
Try to follow me now  
Don't, don't, stop  
Don't stop me now

Try to follow me now  
Don't waste your time  
Try to follow me now  
Don't, stop!
