

# Snuff, Timebomb

Sad bag of cliches sitting on a time bomb.  
Ask Nerys Hughes it's a very short fuse.  
Go find Alfie ask about the road rage,  
odds on it's kicking off somewhere near you.  
Go ask skippy we're slipping on a cliché.  
Ask the pope whoaah.  
Go ask Ian we're sitting on a time bomb,  
odds on it's kicking off somewhere near you.  
Go ask Ian, go ask Skippy, go ask my mum  
odds on it's kicking off somewhere near you.
