

Social Burn, I'm Happy

I've been sitting here for a while
Wishing I could finally see you smile
I've been wanting to see you for long time
But everyday I grow farther from everything
I've done, and everyone
Here we go again, I'm alone now

(Chorus)
We try so hard
Cause we don't know what we're looking for
You try so hard
Because you don't know what you're looking for
Yeah I try so hard
Because I don't know what I'm looking for
But yeah I'm happy
I'm happy, now I'm happy

I don't know if I'll ever find you
I don't know if I'll ever need you
Again
Cause I've been sitting here for so long
Wishing I could write a brand new song
Maybe it will remind you of a time when

(Chorus) (Lead Break)
(1st verse repeated) (Chorus)
