

# Social Distortion, Don't Drag Me Down

Children are taught to hate  
Parents just couldn't wait  
Some are rich and some are poor  
Others will just suffer more  
Have you ever been ashamed  
And felt society try to keep you down, I begin to watch things change  
And see them turn around

[Chorus:]  
Turn around  
They'll try to keep you down  
Turn around, turn around  
Don't drag me down

Ignorance is like a gun in hand  
Reach out to the promised land  
Your history books are full of lies  
Media-blitz gonna dry your eyes  
Have you ever been afraid  
And felt society try to keep you down, I begin to watch things change  
And see them turn around

[Chorus]  
Ignorance is like a gun in hand, reach out to the promised land  
Your history books  
Are full of lies, media-blitz gonna dry your eyes  
You're eighteen  
Wanna be a man  
Your granddaddy's in  
The Klu Klux Klan  
Taking two steps forward  
And four steps back  
Gonna go to the White House  
And paint it black

[Chorus 2x]
