that it's

alright i'm right her for you forever on these cold nights i'm right here for you forever on these cold n
hold you, and does he need you like i do when you finally find yourself will you have the strength to
let this phase me cause i've learned the beauty of letting go but i'm still letting you know

(chorus)

i'm not gonna let this phase me (x3)

i've learned

the beauty of letting go i'm letting you know
