

# Society 1, Hate

We all love to hate  
It's so easy to create  
Just hold your anger and all you despise  
These are the things that will keep you alive

Now it's time  
Show us who you...  
Hate

We all hate to love  
We know what I'm speaking of  
Who was the person who did this to you?  
If they were here now what would you do?

Now it's time  
Show us who you...  
Hate

Hate lives  
Hate rules  
Hate spreads  
Hate fuels  
Hate gives  
Hate knows  
Hate makes  
Hate grow
