

Society 1, Nothing

Nothing
Nothing for me
Nothing for you
Nothing
Nothing to see
Nothing to do

Nothing
Nothing to give
Nothing to prove
Nothing
Nothing to see
Nothing to lose

Nothing for me
Nothing for you
Nothing to see
Nothing to do

You can't be what you want to be

Nothing
Nothing to hide
Nothing to steal
Nothing
Nothing to care
Nothing to feel

Nothing
Nothing but want
Nothing but need
Nothing
Nothing but hate
You want to feed

Nothing for me
Nothing for you
Nothing to see
Nothing to do

You can't be what you want to be

Look what you've become
You're the only one
That is left to inside
Alone and don't deny

You can't be what you want to be
