

# Sodom, Addicted To Abstinence

I'm just a prowling maverick  
And detriment to health  
Cutthroat competition  
Desultory to myself  
Scary vulgarism  
Unfathomable cursed  
Perpetuate my memories  
Incombustible words

Addicted to abstinence

Protruberant intestines  
Exhilarated sight  
Notorious dinginess  
Coming from behind  
I put you to the sword  
Gasp your vomit out  
You'll never reach the shore  
Deformed like a scrag  
Scary vulgarism  
Unfathomable cursed  
Perpetuate my memories  
Incombustible words

Deformed like a scrag  
Scary vulgarism  
Unfathomable cursed  
Perpetuate my memories  
Incombustible words  
Heinous and destructive  
Balanced on the edge  
Rancorously cutting  
He's dangerous and sledge
