## Sodom, An Eye For An Eye

Listen up god, if you really exist For many years I've been asking you why Why are the innocent dead and the guilty alive? Where is justice? Where is punishment Something big is brewing You can see it in my eyes They burn with a beastly hatred That will be realized Why are the innocent dead Come on god, answer me Why are the guilty alive Don't want to be deceived They think they are above the law They are trying to break my spine Where is justice, where is punishment Where is the human line An eye for an eye Inveterate despite An eye for an eye A one man war on crime As I began to talk to god I've even lost my mind I only want to know one thing What I've done, was it wrong or right? A loving husband, devoted father 'Til the day the mob opened fire Retaliation and vindictiveness His only mission and ardent desire
