

Sodom, Nuctemeron

In their unity demons enlogied god
Loose craftiness and scorn
Firesnakes reel around merkurs staff
Lightnings praise let glow in jows sing
Souls return to visit isolated graves
The moment came where circles angulars burn

NUCTEMERON

Lights of darkness
Hour of witchcraft and sorcery
Heavenly shpere voice strike up

NUCTEMERON

High magics memorial

NUCTEMERON

Creators perfection

NUCTEMERON

NUCTEMERON

A fire that gives life to all animate
creatures

Leaded from will clear men

Initates exhault handsand your sorrow get allayed

Chains of agree let nature square

The key to astronomical leycle for you

Geniens wings move with mysterious voice

Twelve hours implorious

Percieve the strength of genien

And the personify virtue

NUCTEMERON

NUCTEMERON

Carry gods message from one world to another

And the deed of eternal fire is done

Subbdue your bad attributes and

All phantomes of imagination

Understand the harmony of four elemental forces

Hierarchy of occultism lession

Ghosts would beware of great favour

In their power and freedom invincible
