

# Sofa, Wicked skillz

Sometimes I get a little pissed off - you know...  
I just can't understand why  
'coz I deserve more than I'm gettin'  
I deserve much more than this  
'coz you know, I got them skills, yeah!

1.

Sometimes I get a little pissed off  
I just can't understand why  
'coz I deserve much more than this!  
Baby, I did a lot of schemin'  
how to prove my wicked skills,  
how to make it all sound real!  
STUB: How I'm gonna prove my wicked skills?  
How I'm gonna make this shit sound real?

2.

There is no other explanation  
why you keep on comin' here  
to see what's goin' down!  
Groove must be the major reason  
why we can't control ourselves  
and that's what I found out.  
STUB: The groove must be the major reason why  
you can't control yourselves!  
The main...um, explanation, yes - the major reason  
for the way you keep behavin' and  
why your heartbeat's speedin'  
must be the flavour breathin' down your spine  
givin' you the chills 'coz it sounds so fly!  
We keep keepin' it real so others might try to bite,  
The way we mold the groove and unfold the truth  
as it flows with the music that 'easy listening',  
that 'we keep bringing to all the men  
and all the gorgeous women!  
We can't forget about all the children!  
Feed your souls while you can! Feel free to wild out,  
feel free to wild out and yell out 'damn'!  
We're never gettin' old like Peter Pan!  
We're never gettin' old like NeverNeverland!  
Feel your souls while you can,  
feel free to wild out and listen to this jam!
